NOTES:

PARKING INSTRUCTIONS

Your reservation fee includes the parking fee. You will need to register the plate of the car you will be parking in the parking garage ahead of time. You can register your plate at:

<https://www.offstreet.io/location/UB39V71K>

OR use this QR Code with your cell phone. QR code readers are free and may already be on your phone.

If you are unable to provide this information thru your cell phone or pc, then you will need to call the MSU Security to register the plate of the car you will be parking in the garage: **517-355-8440**.

If you do not register your plate ahead of time, you can pay for the parking yourself at the kiosk by the entrance to the center from the garage. Doing this, you are actually paying twice, once through your lunch reservation and once on your own. Parking is \$2 / hour if paying at the Kiosk; there will be no refund.

Kiosks accept credit/debit cards or cash/coin (\$1s & \$5s only). They do not give change back nor are refunds issued for time paid but not used.

If you do not register the plate, you will be ticketed. Please only register ONE plate as we will be billed \$1.50/hr. for each registered plate. IF you end up not being able to drive that car, are driving a different car, or are not able to attend after you have registered the plate, then you will need to call MSU PD to cancel your parking permit at: **517-355-8440**.

If you are staying overnight as a guest at the Kellogg Center, please follow the directions about parking from Kellogg. They will give you a parking pass to hang in your car at the registration desk. They charge \$15 for daily parking in addition to the room fee, so you will not register your tag using the link or QR code above.

See you all on the 17th!

Thora Goodnight
